

## Norm Rivers – Secretary

A little over three years ago I received a gift from my sons. She was a Border Collie. I took her to Fido's farm for Evaluation and Chris said she showed potential. She directed me to Sue MacDonald, who I will be forever indebted to. Besides Sue, I have worked with a few trainers who have helped me improve. (Becki Maloney and Karen Child) Everyone teaches basically the same thing, only changing the words a little. I am fortunate to have met such a great group.

I now have two dogs. My wife has now taken up the sport, so we have gained two more dogs. (I'm not so sure this is a good thing.) Ha Ha!!
